Dear Ellenor Hospice,

We are writing to you enclosing a cheque for **£3,500** as a grant from Penguins Against Cancer (PAC) to you, specifically to be used for providing terminal care to patients in your fantastic institution. This grant was proposed by Charlie Gush and Ben Challacombe, both longstanding PAC Trustees, and is in support of Sarah Thurgood and the rest of your wonderful staff. It has been made possible by the generosity of PAC supporters, particularly Matthew Rose who has gifted the profits from the sale of his superb artwork to PAC.

PAC exists to raise cancer awareness, and to provide support to cancer research and treatment, as well as to hospices. It has no running or administrative expenses (all costs being met by individual PAC Members) and has many students studying at Guy's Hospital (home to the oldest Rugby Club in the world) as active supporters. Please feel free to visit our website www.penguinsagainstcancer.org.uk and let us know what you think.

We would be most grateful if you would write back to us confirming receipt of the grant and indicating how it will be spent. Please feel free to send your response as an attachment, via email to penguinsagainstcancer@outlook.com, as we would like to publish it on our website.

We wish you continuing success in the excellent work you are doing.

Yours sincerely,

Charlie Beardmore
President
