7th July 2024

Dear Urology Foundation, We are writing to you enclosing a cheque for £5,000 as a grant from Penguins Against Cancer (PAC) to you, specifically to be used to fund research into treatments to combat urological cancers. This grant is in addition to the £25 000 grant we sent you in April 2024, the £5,000 grant we sent you in February 2024, the £25,000 grant we sent you in May 2023, the £25,000 grant we sent you in September 2022, the £10,000 grant we sent you in July 2021, the £3,000 grant we sent you in November 2020, the £3,000 grant we sent you in March 2020, the £2,000 grant we sent you in July 2017, the £1,000 grant we sent to you in December 2015, and the £2,000 grant we sent to you in January 2014.

This grant was proposed by Ben Challacombe and Geraint Thomason, both PAC Trustees, and is made in direct support of Chris Howell and Andy Wood, who we would like you to formally acknowledge as the inspiration behind the Grant. It was made possible following hugely successful fundraising by 40 strong The Penguin Peloton, ranging in age from 19 to 66, on their cycle ride from Guys Hospital to Blackpool Tower in May 2024.

PAC exists to raise cancer awareness, and to provide support to cancer research and treatment, as well as to hospices. It has no running or administrative expenses (all costs being met by individual PAC Members) and has many students studying at Guy's Hospital as active supporters. Please feel free to visit our website www.penguinsagainstcancer.org.uk and let us know what you think.

We wish you continuing success in the excellent work you are doing.

We would be most grateful if you would write back to us confirming receipt of the grant and indicating how it will be spent. Please feel free to send your response as an attachment, via email to penguinsagainstcancer@outlook.com, as we would like to publish it on our website.

Yours sincerely,

Charlie Beardmore
President
