Kicking Cancer Into Touch!

26th April 2024

Dear Urology Foundation,

We are writing to you enclosing a cheque for **£25,000** as a grant from Penguins Against Cancer (PAC) to you, specifically to be used to fund research into treatments to combat urological cancers. £5,000 of this should be used as PAC's contribution to the Chris Howell Urological Cancer Research Award (jointly funded with TUF) and £10,000 of it should be used to as PAC's contribution to the Small Projects Research Initiative (jointly funded with TUF) please. This grant is in addition to the £5,000 grant we sent you in February 2024, the £25,000 grant we sent you in May 2023, the £25,000 grant we sent you in September 2022, the £10,000 grant we sent you in July 2021, the £3,000 grant we sent you in November 2020, the £3,000 grant we sent you in March 2020, the £2,000 grant we sent you in July 2017, the £1,000 grant we sent to you in December 2015, and the £2,000 grant we sent to you in January 2014.

This grant was proposed by Ben Challacombe and Charlie Beardmore, both PAC Trustees, and is made in direct support of Chris Howell and Andy Wood. It was made possible by the extraordinary generosity of Lord Kirkham.

PAC exists to raise cancer awareness, and to provide support to cancer research and treatment, as well as to hospices. It has no running or administrative expenses (all costs being met by individual PAC Members) and has many students studying at Guy's Hospital as active supporters. Please feel free to visit www.penguinsagainstcancer.org.uk and let us know what you think.

We would be most grateful if you would write back to us confirming receipt of the grant and confirming how it will be spent. Please feel free to send your response as an attachment, via email to penguinsagainstcancer@outlook.com, as we would like to publish it on our website.

We wish you continuing success in the excellent work you are doing.

Yours sincerely,

Charlie Beardmore
President
