Dear Karen,

Please find enclosed a cheque for **£4,000** as a grant from our charity, Penguins Against Cancer, to Lymphoma Action. This grant is given in recognition of the wonderful support you provide to those suffering from lymphatic cancer and is specifically in memory of **Tim Bates** who succumbed to the disease some 24 years ago.

Tim's wife, **Margaret Littlejohns**, has been involved with Lymphoma Action / Lymphoma Association for many years and is the sister of one of our founding Trustees, **David Littlejohns**. David is also the Webmaster and Marketing Officer for our charity. Margaret and Tim's son, **Albert Bates**, will also be running in the 2020 London Marathon in April, both to honour of his father and to also raise funds separately for Lymphoma Action, following (literally) in the footsteps of his father. We wish him every success with this endeavour!

Penguins Against Cancer is a registered charity set up to raise awareness of cancer and to provide support to cancer treatment, cancer research and hospices. We stage numerous sporting and social events with the aim of making altruism fun. Our motto is "**Dare Quam Accipere**": "*it is better to give than to receive*". Further detail about Penguins Against Cancer can be found on our website: www.penguinsagaincancer.org.uk. Please do visit it and let us know what you think.

Please confirm your receipt of this letter and how the grant will be spent.

With Our Very Best Wishes

Yours sincerely
