Dear Marie Curie Hospice,

Please find enclosed a cheque for the sum of £1,000 from Penguins Against Cancer to support the excellent work you do to support the terminally ill and their families. Penguins Against Cancer is a registered charity which raises awareness of cancer and makes grants to support cancer research, treatment and hospices.

Again, this year we have staged numerous sporting and social events, and the enclosed grant, proposed by Anita and Jamie Combes (daughter of Linda Sheppard who passed away in May 2012 at Holme Towers), has been made possible by the extraordinary generosity of many, committing their time to organise and take part in these activities and contributing in the administration of this charity. Some of 2016 events have included: Egyptian Whist in Alderney, Rugby and Half-Marathons (for one, reaching his PB time!) and it has been a great pleasure to see the enthusiasm of children also participating in the fundraising against cancer exploits. Each of these events are available at our website [www.penguinsagainstcancer.org.uk](http://www.penguinsagainstcancer.org.uk) should you care to visit it.

We wish you every success in your continued efforts to provide a dignified comfort and support to those nearing the end of their lives. We would be most grateful if you could confirm receipt of this letter, and how you intend to spend this grant.

With Best Wishes from all the Penguin community.

Yours Sincerely,

Charlie Beardmore, on behalf of:

Officers, Trustees and Members of Penguins Against Cancer
